

HERAN ESHETU ELALA

Software Engineering student at AAiT | Student @A2SV backed by google

+251980499718 @ heran.eshetu@a2sv.org

<https://linkedin.com/in/heran-elala-110a88259> Addis Ababa

OBJECTIVE

Dedicated and forward-thinking Software Engineering student passionate about creating innovative solutions with technology. Known for being smart, hardworking, and good at multitasking and critical thinking. A technology enthusiast always looking for ways to improve and grow. Has strong teamwork skills and a genuine desire to make the world better through advanced software development.

EDUCATION

Software Engineering 01/2022 - 12/2027
[Addis Ababa University](#)

Competitive programming 2023 - 2024
[A2SV-Africa to silicon valley](#)

SKILLS

Frontend

html - css(tailwind-bulma-bootstrap) - javascript - ReactJS(beginner)

Backend

NestJS

Mobile Development

Flutter(Riverpod - Bloc(beginner))

Networking

Networking Essentials - Cloud and Virtualization - Network Virtualization

Competitive programming

Data Structures and Algorithms (python)

PROJECTS

Hotel Booking Mobile app

A flutter hotel booking application, providing users with the ability to book rooms and admins to manage room details. The project incorporates various features to enhance user experience and security.

- I have had extensive experience in backend development, integration, and UI design .

Restaurant Simple web

The frontend design project for the restaurant will involve creating a visually appealing and user-friendly interface for the restaurant's website. The website will consist of various pages such as the home page, menu page, reservation page, about us page, contact page, and possibly a gallery page showcasing the restaurant's ambiance and dishes.

- I have gained extensive experience in frontend development.

Todo List

The application is a Flutter-based todo list that leverages Hive as its database, providing a seamless and efficient way to manage tasks with a lightweight and fast NoSQL database solution.

- It is my first Flutter app.
